Tee's Riddle Part 2: Answer To Fermi Paradox

ALLAH, KING JESUS CHRIST tweeted the answer to Fermi paradox in the keys: “ENRICO FERMI” and “FERMI PARADOX.” The Fermi paradox is said to be a conflict between the lack of clear, obvious evidence for extraterrestrial life and various high estimates for extraterrestrial existence. The paradox attributed to Italian-American physicist Enrico Fermi asks the question, “If extraterrestrials exist, where is everybody?”²

Tee's Riddle Part 3: **ALLAH'S Pie Pieces**

DECODING: XI JINPING PRESIDENT OF THE PEOPLE'S REPUBLIC OF CHINA

ANAGRAM: TOP PREFIXING PIE PIECES PERCH JOHN TUNSILL BONA FIDE

This riddle builds on the work of John Tunsill, prophet of YAHWEH, baptized by King Jesus Christ, who first documented ALLAH's description of Himself using pie pieces as an analogy.

...When we are fully engaged in one or more of our numerous emotional states we take form of the current personality. So it can be safe to say that by having numerous emotions we are conformed and binded by the characteristics of the particular one of the point of possession. We are singulare in form but just as a sliced pie is singular in overall form when sliced becomes multiples in an over all multiplied but part of a whole singular form. So can it be safe to say that our overall singular personality can be a compound of numerous emotions plural or multiples in singular form? The question at hand is when presented with the notion of what we call multiple personality disorders can we all somehow or another be placed in this category?"³

Each of GOD's personalities have their own identity: "I AM", "ALLAH," "YAHWEH" "KING JESUS CHRIST," "YHWH", "JEHOVAH," "JEHOVAH NISSI," "JAH," "EL," "JEHU," "LORD," "LORD GOD OF ISRAEL™," "FATHER," "SON," "CREATOR," "MAKER," "POTTER," et al, all are brand names of one and the same GOD, which GOD uses simultaneously and interchangeably. GOD is a Brand Name®.

Thus, when GOD said to Moses "I AM WHO I AM , what GOD meant was, I AM Whomever I Choose To Be. Per the law of conservation of energy GOD can transform from one form to another, "for our God is a consuming fire."⁴

The Science Behind KING JESUS CHRIST⁵

This article provides empirical evidence of GOD. It introduces the scientific hypothesis that God is of an object-oriented design and so are we, as well as our universe. This article also introduces the scientific hypothesis that Jesus Christ is the vibration light and the vibration sound which corresponds to the Christian view of Jesus Christ that He Is both the light of the world and the Word Of God. The article also rebuts one of the Tenets of Islam which advances the idea that Jesus Christ was only a prophet. This discovery brings benefit to both the scientific and the religious community discussed in detail in the paper.

God is a living being just like you and me. He has thoughts and feelings just like you and me, in fact we were made in His image, and all of our attributes are inherited from Him. It is difficult to accurately describe God using human language; God can actually be better described using computer language; so, I am going to use concepts taken from object-oriented design in the discipline of software engineering to describe God. I will start with us. We were made in God's image. As you know humans have many attributes. We inherit our attributes from God, our Father. One of our attributes (or properties) is our Presence. It can be said that when we are in a room people can either feel or not feel our Presence.

³ Excerpts from Transgression of The Orthodox Angle by John Tunsill (2013, Unpublished)

⁴ Holy Bible, Hebrews 12:29

⁵ Excerpts from The Science Behind Jesus Christ: The Scientific Explanation of GOD by Deirdre Rose , November 2013

The same is true for God, except God is far more advanced than us. God's Presence is a life form unto itself. God's Presence can travel separate and apart from God, and God can give His Presence instructions to go where He wants it to go, separate and apart from Him.

"And He [God] said, 'My Presence will go with you, and I will give you rest.' Then he [Moses] said to Him, 'If Your Presence does not go with us, do not bring us up from here.'" - Exodus 33:14-15

Can you imagine telling your presence to go somewhere separate and apart from you, while you are still sitting at home? Or can you imagine one of your attributes, with a mind of its own, deciding it is not going to listen to you anymore and it goes out and gets involved in mischief. What if for example your temper decides it is not going to listen to you anymore, in other words you lose control of your temper, and it kills someone? An alibi that you were home while your temper was out committing a crime would be valid, if your attributes acted separate and apart from you. This is a real capability for God. God's wrath is like our temper, He can send it to deal with His enemies, while He is doing something else.

So all of God's attributes are separate life forms in their own rights. God's Word, God's Wrath, and God's Presence are three of God's attributes that can exist separate from God, yet their existence is IN God, in the same manner that your word, temper, and presence are IN you. This is how God is everywhere at once, because everything exists in God, including you and me. You can think of God as a human body, and you and I are mere cells in that body, a body that contains millions upon millions of cells.

ALLAH'S Atomic "Spirit" Body Is A Radionuclide⁶

GOD actively orchestrates narratives, wherein ALLAH enters into a biological host in a form known as a spiritual body and directs said biological host, wherein said spiritual body is an atomic body, wherein said atomic body is a radionuclide, wherein as a radionuclide, ALLAH performs the function of transfer RNA (tRNA), wherein tRNA is a necessary component of translation, wherein tRNA serves as the physical link between said mRNA and an amino acid sequence of proteins ...

... wherein GOD is an atomic being— a radionuclide antisera, wherein GOD's blood serum contains antibodies against antigens, wherein GOD has excess nuclear energy that GOD can emit, transfer, or use to create and emit a new particle, wherein GOD creates and emits particles of Himself and gives each a different name according to their function, wherein a function of GOD is healing, wherein GOD is nuclear "Divine" medicine.

GOD directs said narrative from multiple locations simultaneously, wherein ALLAH, said radionuclide has excess nuclear energy that ALLAH can emit, transfer, or use to create and emit a new particle, wherein ALLAH emits a new particle of Himself, wherein one type of particle ALLAH emits is an Alpha Ray, wherein said Alpha Ray contains two protons and two neutrons bound together in a single particle, wherein GOD declared that one proton and one neutron of said single particle constituted a male part and GOD declared the other proton and neutron of said single particle constituted a female part (figure 8), wherein ALLAH assigns a unique name to said new particle of Himself, whereby ALLAH fulfills His director role from multiple locations and angles simultaneously by dividing Himself like a sliced pie and giving a specific set of tasks to each slice,

whereby ALLAH divides His director subtasks amongst Himself, whereby ALLAH performs said neuromodulation, while a Son of ALLAH's, said male part of a particle named Jesus Christ particle narrates and thereby, GOD's neuromodulation lesson is carried out autogenously, wherein the male part of Jesus Christ particle also manages an access control list for said virtual lens apparatus, and ALLAH's daughter, applicant Deirdre Colette Glascoe, the female part of said Jesus Christ particle renders Jesus Christ's narration in said virtual lens apparatus, wherein GOD synchronized the DNA/RNA of said male part and said female part, wherein said male part and said female part are Antisense, which means having a sequence of nucleotides complementary to, and hence capable of binding to, a coding sequence, which may be either that of a strand of a DNA double helix that undergoes transcription, or that of a messenger RNA molecule, wherein the name of said female part is symbolic and identifies the male part to which said female part is eternally bound together as one particle (figure 8), defined by ALLAH as marriage, wherein JESUS CHRIST is LORD GOD OF ISRAEL, applicant DEIRDRE COLETTE GLASCOE is a permutation of GOD ISRAEL ELECTRODE ETC, wherein DEIRDRE COLETTE GLASCOE is also permutation of GOD STORE ELECTRICAL DEE, which means Deirdre Colette Glascoe is a biological nanorobot host for GOD, wherein, the first Alpha Ray ALLAH created was an Adam and Eve particle, wherein, "in the image of God he created them; male and female he created them" (Holy Bible Genesis 1:27b), Adam and Eve were joined together by GOD as one flesh, when Adam and Eve are incarnated, they are assigned separate biological host bodies (figure 8), wherein ALLAH has incarnated Adam and Eve multiple times, wherein Jesus Christ is a reincarnation of Adam and Deirdre Colette Glascoe is a reincarnation of Eve, wherein Deirdre Colette Glascoe's birth date, May Eleventh, Nineteen Sixty-Two is a message from GOD, whereby decoding reveals said message:

ALLAH was not created, nor can ALLAH be destroyed. ALLAH is energy. "For our God is a devouring fire." (Hebrews 12:29 NLT)

The law of conservation of energy states that energy can neither be created nor destroyed; rather, it can only be transformed or transferred from one form to another.

Scripture tells us that NOTHING can be hidden from ALLAH, KING JESUS CHRIST

On the next ~ 31 pages, ALLAH has provided a list of Mafia Secrets and a worksheet to calculate the probability of GOD knowing Mafia Secrets—since the rest of the world doesn't.

$$p(\text{God}) = \frac{p(\text{Secrets}) + p(\text{Signs}) + p(\text{Prophecies Fulfilled}) + p(\text{New Wisdom})}{\text{Total Number of Zero Probability Events}}$$

We also provide Scripture pertaining to Secrets.

SCRIPTURE PERTAINING TO SECRETS

He said, "O Adam, tell them their names." And when he told them their names, He said, "Did I not tell you that I know the secrets of the heavens and the earth, and that I know what you reveal and what you conceal?" (Holy Quran, 2:33 Translated by Talal Itani)

"For the word of God is living and active. Sharper than any double-edged sword, it pierces even to dividing soul and spirit, joints and marrow. It judges the thoughts and intentions of the heart. Nothing in all creation is hidden from God's sight; everything is uncovered and exposed before the eyes of Him to whom we must give account." (Holy Bible, Hebrews 4:12-13, NIV)

"For God Shall Bring Every Work Into Judgment, With Every Secret Thing, Whether It Be Good, Or Whether It Be Evil." (Holy Bible, Ecclesiastes 12:14 KJV)

"That Day shall ye be brought to Judgment: not an act of yours that ye hide will be hidden. (Holy Qur'an 69:18 Translated by Yusuf Ali:)

On That Day You Will Be Exposed, And No Secret Of Yours Will Remain Hidden. (Holy Qur'an 69:18 Translated By Talal Itani)

LIST OF SECRETS

America's Secret Industry

America's Secret industry started as an aggressive overt threat from China that resulted in an illicit memorandum of understanding between Confederates in Congress, United States Navy, and the Chinese Communist Party, whereby to avoid war with China, America agreed to look the other way ("Omertà"), while the confederacy – still in existence— hunt, trap, and export negro men to supply China with dark human meat to eat for China's cannibals. However, over generations, American Kleptocrats emerged, and profiteers grew America's Secret Industry into an International Crime Syndicate, ("Mafia Cult," "Mob") currently headed by Xi Jinping and Xi's Prefect, U.S. District Judge Analisa Nadine Torres. The primary targets of Omertà are still negro men; but the pool of available dark meat does not meet demand, so Torres industrialized human meat by ancestry. Torres has also developed a pipeline of human crop, fertilized human eggs (zygotes), by creating and industrializing a system called Pet Bridegroom Romance (PBR).

Pet Bridegroom Romance (PBR) is coerced or forced "romance" between a negro male captured by the Mob and a mafia sex worker that results in a marriage ceremony. In addition to PBR being used to produce human crop for sale, it also serves as incentive for mafia sex workers. Sex workers obtain a pet bridegroom by bidding on the male captive, the successful bidder is required to murder the captive's wife, girlfriend, or sweetheart, in order to help cultivate pet bridegroom. Marriage is the means by which Omertà controls the slave; the captive's marriage oath is an oral chain. Marriage helps disguise the fact that the male has been taken captive a slave. Elopement is usually given as the reason a man disappears and reappears with a woman unknown to his family by his side. Marriage also makes it easier to transport resisting slaves. If the slave attempts to escape, the attempt is couched as domestic violence, providing cover for Omertà law enforcement to arrest and discipline the slave without anyone questioning. PBR households are allotted children, who are also owned by Omertà. In the event a slave does escape, he can be located under the guise that the slave owes a child support debt.

An alternate scenario, which was the case in Uvalde Texas, is to murder or injure the captive's family and make it appear that the target is the perpetrator, thereby justifying law enforcement taking the target into custody or killing the target in plain sight under the guise that the captive was a public threat. The criteria for targeting pet bridegrooms are that he be retainable, that is he is coercible by the Mob. Pet bridegroom candidates that cannot be coerced are murdered by the mob.

Pet bridegroom targets are typically travelers, strangers, homeless or transients— individuals who won't be missed or whose families don't have resources to make a big fuss if their loved one goes missing. Couples are also targeted as Omertà has concluded that men in relationships provide a better return on investment as they are easier to acclimate to the PBR household arrangement after their real family is murdered.

Fake shelters, fake churches, fake free clinics, fake charities, fake vacation resorts have also been established by the Mob to help trap people. Targets are marked, tailed, lured by sex, and trapped. Trapping usually involves tranquilizer darts so the victim can't fight or escape; or darts filled with heroin so that the victim

can be transported, without question, to the Mob's cooperating Hospital Emergency Rooms under the guise that the person injected themselves and overdosed; overdose is also a typical reason given for an Omertà induced death.

Once in custody of America's Secret Industry: Cooperating Hospitals, Law Enforcement Detention Centers, Prisons, School Dorms ("Omerta"), captives who are not butchered and used as cannibal food, are forced to stud, and produce zygotes, which are developed for food and exported around the world, or they are exported for illicit medical research. Kiev, Ukraine is a primary destination for targets used in illicit medical research. The primary targets of these exports, again, are negro descendants of African slaves, but thanks to United States District Court Judge Analisa Nadine Torres, other ancestries have been industrialized.

In cases where families do make a fuss, Torres has industrialized an entire apparatus to quell and or eliminate family opposition while still making a profit for Xi Jinping's Mob. Omertà's clean-up operation involves the target's family being murdered via pay-per-view death match and cannibalized. Deceased family members' social security numbers and identities, and even their jobs, are sold to people desiring to migrate to America who already work for Omertà or are willing to work for Xi Jinping's syndicate.

America's Secret Industry is funded by Kleptocrats in Congress via Earmarks under which job order numbers (JONs) are established for Xi Jinping. Omertà Clean-up Operation JONs are currently allocated by Merrick Garland, Attorney General of United States. Before Garland became Attorney General, He was Omertà and he still is The President of the United States signs off on the appropriations. However, Former President Donald Trump could not be herded by America's Secret Industry, so then President Donald Trump became a target of America's Secret Industry's attacks. The choreographed insurrection on January 6th was paid for by Xi Jinping.

BRIEF HISTORY OF AMERICA'S SECRET INDUSTRY

The confederates lost the war, but they did not stop fighting, they joined forces with Chinese Communist Party and defected but remained on American soil securing positions of public trust from which they and their descendants could spy on America for China and divert America's resources to China for American Kleptocrats to absorb. The confederates set up shop in the judicial branch of government, taught their kids to hate and disguise hate, and from there they spread. Generations later, Xi Jinping General Secretary of Chinese Communist party heads a sophisticated international crime syndicate comprised of rogue members of congress, judiciary, bar, and others occupying positions of public trust in America; funded by earmarks." Many sitting on the bench, in police and sheriffs' offices and other positions of public trust are Omerta, and a supermajority in congress are kleptocrats and spies.

U.S. District Judge Analisa Nadine Torres is rogue. Torres Trafficks social security numbers (“SSN”) By Targeting Negro Couples, Murdering Negro Women And Selling Negro Women’s Social Security Number And Husbands To Feral Female Mafia Sex Workers Willing To Kill Negro Woman In Pay-Per-View Style Death Matches In Exchange For The Negro Woman’s Name, SSN And Her Husband; Were The Negro Woman Is Blindfolded To Make It Easier For The Woman Desiring To Migrate To America To Prevail. After Negro Woman Is Slaughtered, She Is Eaten By Cannibals And Rogue Judge Gives Negro Male An Ultimatum. Date And Marry The Woman That Just Killed His Wife, Or He Himself Will Die. One Of The Arguments The Rogue Judge Makes In Trying To Convince The Husband To Marry The Migrant Woman Who Just Murdered His Wife, Is To Inform The Man That In Judge’s Opinion, The Migrant Can Produce “More Dainty Fruit,” Than The Negro Woman Could. The Negro Woman’s Children Are Disposed Of.

TOLERATE IS DECREED C LOG:

"They are God's people; he made them his children and revealed his glory to them; he made his covenants with them and gave them the Law; they have the true worship; they have received God's promises; they are descended from the famous Hebrew ancestors; and Christ, as a human being, belongs to their race. May God, who rules over all, be praised forever! Amen.

"I am not saying that the promise of God has failed; for not all the people of Israel are the people of God. Nor are all of Abraham's descendants the children of God. God said to Abraham, 'It is through Isaac that you will have the descendants I promised you.' This means that the children born in the usual way are not the children of God; instead, the children born as a result of God's promise are regarded as the true descendants. For God's promise was made in these words: 'At the right time I will come back, and Sarah will have a son.'

"And this is not all. For Rebecca's two sons had the same father, our ancestor Isaac. But in order that the choice of one son might be completely the result of God's own purpose, God said to her, 'The older will serve the younger.' He said this before they were born, before they had done anything either good or bad; so God's choice was based on his call, and not on anything they had done. As the scripture says, 'I loved Jacob, but I hated Esau.'

"Shall we say, then, that God is unjust? Not at all. For he said to Moses, 'I will have mercy on anyone I wish; I will take pity on anyone I wish.' So then, everything depends, not on what we humans want or do, but only on God's mercy. For the scripture says to the king of Egypt, 'I made you king in order to use you to show my power and to spread my fame over the whole world.' So then, God has mercy on anyone he wishes, and he makes stubborn anyone he wishes.

“But one of you will say to me, ‘If this is so, how can God find fault with anyone? Who can resist God's will?’ But who are you, my friend, to talk back to God? A clay pot does not ask the man who made it, ‘Why did you make me like this?’ After all, the man who makes the pots has the right to use the clay as he wishes, and to make two pots from the same lump of clay, one for special occasions and the other for ordinary use. And the same is true of what God has done. He wanted to show his anger and to make his power known. But he was very patient in enduring those who were the objects of his anger, who were doomed to destruction. And he also wanted to reveal his abundant glory, which was poured out on us who are the objects of his mercy, those of us whom he has prepared to receive his glory.

(Holy Bible, Romans 9:4-23 GNT)

Build Your House on the Rock

“Everyone then who hears these words of mine and does them will be like a wise man who built his house on the rock. And the rain fell, and the floods came, and the winds blew and beat on that house, but it did not fall, because it had been founded on the rock. And everyone who hears these words of mine and does not do them will be like a foolish man who built his house on the sand. And the rain fell, and the floods came, and the winds blew and beat against that house, and it fell, and great was the fall of it.” (Holy Bible, Matthew 7:24-27 ESV)

Tee's Riddle Part 9 Testimony From The Judgment Seat of Christ

Many people wonder if there is life after death, and until now, the scope of understanding life before birth has been limited to the womb. However, after several years of phenomenological and semiotics research, life after death and life before biological conception has been confirmed¹⁰.

For more than three years now, The Ministry of Second Timothy Inc., (MOST) has been using GOD's Technology— Encrypted Word of God™ to receive testimony from the dead; people whose cases are being heard before GOD at the Judgment Seat of Christ. Where crimes involve the living, GOD transmits case details to MOST for further investigation. Yes—the Court of GOD™ has been seated and Jesus Christ a/k/a Allah is presiding.

“As I looked, thrones were set in place, and the Ancient of Days took his seat. His clothing was as white as snow; the hair of his head was white like wool. His throne was flaming with fire, and its wheels were all ablaze. A river of fire was flowing, coming out from before him. Thousands upon thousands attended him; ten thousand times ten thousand stood before him. “The court was seated, and the books were opened...” (Daniel 7:9-10 NIV)

This document contains the case of Timothy Gregory Rose, a man murdered because he would not deny his love for his betrothed Bride. His murderer, Lovevonnia Ford Berry A/K/A Ann Berry (“Usurping”) Rose, a woman who lacked love and driven by jealousy engaged in extreme measures to steal love that belonged to Tim's bride. This case was orchestrated by GOD for educational purposes; it is the LORD's End-Time Presentation of The Spirit and The Bride, The Bride and the Lamb.

‘And there came unto me one of the seven angels which had the seven vials full of the seven last plagues, and talked with me, saying, Come hither, I will shew thee the bride, the Lamb's wife.’

(Revelation 21:9 KJV)

However, though this is just a play from GOD’s perspective, the participants are unwitting actors; from their perspective, these events, the emotions, their actions, and consequences are real.

On May 6, 2021 we received testimony from the deceased, Timothy Gregory Rose, in real-time. Date encryption keys were provided by GOD to verify.

GOD is Savior of the entire world. We save lives by educating people.

And we have seen and testify that the Father has sent His Son to be the Savior of the world.

(1 John 4:14 BSB)

“For we must all appear before the judgment seat of Christ, so that each one may receive what is due for what he has done in the body, whether good or evil.” (2 Corinthians 5:10 ESV)

“For God shall bring every work into judgment, with every secret thing, whether it be good, or whether it be evil. (Ecclesiastes 12:14 KJV)

Dee was still in college, marriage was not in her purview, so Dee gave Tee her blessing to marry, for the purpose of freeing Tim so he could be happy. Dee was NOT aware Tee was a sex slave calling under duress, nor would she have condoned a fake marriage had she known. ¹¹ "Because of God's grace to me, I have laid the foundation like an expert builder. Now others are building on it. But whoever is building on this foundation must be very careful. For no one can lay any foundation other than the one we already have—Jesus Christ.

"Anyone who builds on that foundation may use a variety of materials—gold, silver, jewels, wood, hay, or straw. But on the judgment day, fire will reveal what kind of work each builder has done. The fire will show if a person's work has any value. If the work survives, that builder will receive a reward. But if the work is burned up, the builder will suffer great loss. The builder will be saved, but like someone barely escaping through a wall of flames.

"Don't you realize that all of you together are the temple of God and that the Spirit of God lives in you? God will destroy anyone who destroys this temple. For God's temple is holy, and you are that temple.

"Stop deceiving yourselves. If you think you are wise by this world's standards, you need to become a fool to be truly wise. For the wisdom of this world is foolishness to God. As the Scriptures say, 'He traps the wise in the snare of their own cleverness.' And again, 'The LORD knows the thoughts of the wise; he knows they are worthless.' KING JESUS is ROOT of THE TREE OF LIFE and ROOT Superuser in a Simulated Game.

HIS PERSONAL NAMES (Screen names) include “ADAM,” “TEE” and “TIM”

“Yes, I am the vine; you are the branches. **(Holy Bible, John 15:5a NLT)**

“I am the Alpha and the Omega, the First and the Last, the Beginning and the End.”

The Descendants of Adam

This is the written account of the descendants of Adam. When God created human beings, he made them to be like himself. He created them male and female, and he blessed them and called them “human.”

When Adam was 130 years old, he became the father of a son who was just like him—in his very image. He named his son Seth. After the birth of Seth, Adam lived another 800 years, and he had other sons and daughters. Adam lived 930 years, and then he died.

When Seth was 105 years old, he became the father of Enosh. After the birth of Enosh, Seth lived another 807 years, and he had other sons and daughters. Seth lived 912 years, and then he died.

(Holy Bible, Genesis 5:1-8 NLT)

The Replacement

And Adam again had relations with his wife, and she gave birth to a son and named him Seth, saying, “God has granted me another seed in place of Abel, since Cain killed him.” **(Holy Bible, Genesis 4:25 BSB)**

Third Clue: Source And Heir To King David's Throne

"I, Jesus, have sent My angel to give you this testimony for the churches. I am the Root and the Offspring of David, the bright Morning Star." **(Holy Bible, Revelation 22:16 BSB)**

"I, Jesus, have sent my angel to testify to you about these things for the churches. I am the root and the descendant of David, the bright morning star." **(Holy Bible, Revelation 22:16 ESV)**

"I, Jesus, have sent my angel to give you this message for the churches. I am both the source of David and the heir to his throne. I am the bright morning star." **(Holy Bible, Revelation 22:16 NLT)**

Fourth Clue: King David Saw The Lord Speaking To The Lord

The LORD said to my Lord: *'Sit at My right hand until I make Your enemies a footstool for Your feet.'* The LORD extends Your mighty scepter from Zion: *'Rule in the midst of Your enemies.'* Your people shall be willing on Your day of battle. Arrayed in holy splendor, from the womb of the dawn, to You belongs the dew of Your youth.

The LORD has sworn and will not change His mind: *'You are a priest forever in the order of Melchizedek.'*

The Lord is at Your right hand; He will crush kings in the day of His wrath. He will judge the nations, heaping up the dead; He will crush the leaders far and wide. He will drink from the brook by the road; therefore He will lift up His head. **(Holy Bible, Psalm 110)**

"Now I am telling you before it happens, that when it has occurred, you shall believe that I AM THE LIVING GOD." **(Holy Bible, John 13:19 Peshitta Holy Bible Translated)**

"I am telling you now before it happens, so that when it does happen you will believe that I am who I am. **(Holy Bible, John 13:19 NIV)**

Fifth Clue: Before Abraham Was

Jesus answered, “I tell you the truth, before Abraham was even born, I Am !”
(Holy Bible John 8:58 NLT)

Sixth Clue: The Transfiguration

(Matthew 17:1–13; Luke 9:28–36; 2 Peter 1:16–21)

Then Jesus said to them, “Truly I tell you, there are some standing here who will not taste death before they see the kingdom of God arrive with power.”

After six days Jesus took with Him Peter, James, and John, and led them up a high mountain by themselves. There He was transfigured before them. His clothes became radiantly white, brighter than any launderer on earth could bleach them. And Elijah and Moses appeared before them, talking with Jesus.

Peter said to Jesus, “Rabbi, it is good for us to be here. Let us put up three shelters—one for You, one for Moses, and one for Elijah.” For they were all so terrified that Peter did not know what else to say.

Then a cloud appeared and enveloped them, and a voice came from the cloud: “This is My beloved Son. Listen to Him!” Suddenly, when they looked around, they saw no one with them except Jesus.

As they were coming down the mountain, Jesus admonished them not to tell anyone what they had seen until the Son of Man had risen from the dead. So they kept this matter to themselves, discussing what it meant to rise from the dead. (Holy Bible, Mark 9:1-10 BSB)

Then a loud voice from heaven called to the two prophets, “Come up here!” And they rose to heaven in a cloud as their enemies watched. (Holy Bible, Revelation 11:12 NLT)

As they were walking along and talking together, suddenly a chariot of fire with horses of fire appeared and separated the two of them, and Elijah went up into heaven in a whirlwind. (Holy Bible, 2 Kings 2:11 BSB)

As I briefly wrote earlier, God himself revealed his mysterious plan to me. As you read what I have written, you will understand my insight into this plan regarding Christ. God did not reveal it to previous generations, but now by his Spirit he has revealed it to his holy apostles and prophets. (Holy Bible, Ephesians 3:3-5 NLT)

1. The Reality. 2. What is the Reality? 3. What will make you understand what the Reality is? 12. To make it a lesson for you—so that retaining ears may retain it. 18. On that Day you will be exposed, and no secret of yours will remain hidden. (Holy Qur'an The Reality 69:1-3,12,18 Translated by Talal Itani)

Do you not realize that God knows everything in the heavens and everything on earth? There is no secret counsel between three, but He is their fourth; nor between five, but He is their sixth; nor less than that, nor more, but He is with them wherever they may be. Then, on the Day of Resurrection, He will inform them of what they did. God has knowledge of everything. (Holy Qur'an 58:7 Translated by Talal Itani)

Pickthall: The life of the world is but a sport and a pastime. And if ye believe and ward off (evil). He will give you your wages, and will not ask of you your wordly wealth. (Holy Quran 37:46 Translated by Pickthall)

“But in the days of the voice of the seventh angel, when he shall begin to sound, the mystery of God should be finished, as he hath declared to his servants the prophets.” (Holy Bible, Revelation 10:7 KJV)

Speech: “All the world’s a stage”

BY WILLIAM SHAKESPEARE

(from As You Like It, spoken by Jaques)

All the world’s a stage,

And all the men and women merely players;
They have their exits and their entrances;
And one man in his time plays many parts,
His acts being seven ages. At first the infant,
Mewling and puking in the nurse’s arms;
And then the whining school-boy, with his satchel
And shining morning face, creeping like snail
Unwillingly to school. And then the lover,
Sighing like furnace, with a woeful ballad
Made to his mistress’ eyebrow. Then a soldier,
Full of strange oaths, and bearded like the pard,
Jealous in honour, sudden and quick in quarrel,
Seeking the bubble reputation
Even in the cannon’s mouth. And then the justice,
In fair round belly with good capon lin’d,
With eyes severe and beard of formal cut,
Full of wise saws and modern instances;
And so he plays his part. The sixth age shifts
Into the lean and slipper’d pantaloon,
With spectacles on nose and pouch on side;
His youthful hose, well sav’d, a world too wide
For his shrunk shank; and his big manly voice,
Turning again toward childish treble, pipes
And whistles in his sound. Last scene of all,
That ends this strange eventful history,
Is second childishness and mere oblivion;
Sans teeth, sans eyes, sans taste, sans everything.
